Friends of the Highland Park Public Library

Fall 2014

Message from the President

I urge all of you to begin or renew your *Friends of the Library* membership using the form on the back of this newsletter. Other than our Spring Book Sale, which is so ably organized by Lois Farrar and her terrific team of volunteers, your membership is the only other source of funding for the programs sponsored by the Friends. Your contributions fund projects and acquisitions beyond the scope of the library budget.

Your membership demonstrates to legislators the strong grassroots support for the library and helps to increase public awareness for the rich resources the library provides for our community.

Because of your efforts, we are able to offer poetry and film series throughout the year as well as theater productions, authors, and concerts which includes our special holiday program in December. Dr. Robert Knoll is bringing back Hollywood's Second Golden Age with his classic film series.

Brochures for programs for children and teens are available at the front desk and at the library website, www.hpplnj.org. Remember, the Highland Park Public Library is much more than books. It has been a community resource for over 80 years.

During these tough economic times, the library has become a lifeline for those searching for jobs and strengthening their professional skills. More than 14,000 registered borrowers use and support our library, which has become a very busy, active place.

This summer was our busiest ever with more children, teen, and adult programs. For more information about programs, call the library at 732-572-2750 or go to the website at www.hpplnj.org.
